## EDUCATION

### University of Calgary – Schulich School of Engineering 2021-2025

Currently enrolled in first year Engineering, Specializing in software engineering, with a first semester GPA 4.0. Made the traveling team of Calgary's Great Northern Concrete Toboggan Race team, an Engineering team that has been competing nationally against other universities since 1971. Graduation date – April 2025

### Robert Thirsk Highschool 2018-2021

Graduated with a 95% grade 12 average and a total of 18 Academic Exemplary Awards throughout highschool. Volleyball Team Assistant Captain for two years.

## EXPERIENCE

### Calgary Stampede Ushering Stampede 2021

I worked for the Calgary Stampede as an Usher in the premier infield team. I was commentated for excellent work from the usher supervisor and recommended to be brought back as a supervisor for the next season from the infield supervisor. Working as an usher required **quick problem-solving skills, confidence in interaction**, and working as an in-depth **team environment**.

### Calgary Exterior Connections 2019-Present

I worked for Calgary Exterior Connections resurfacing decks and **interacting** with client's full time over the summer and part time during the spring and fall seasons. I worked as **part of a team** and as a **team leader** while performing **skilled labor** tasks. Developed high **Attention to detail** and **Organizational** skills.

### Calgary Stampede (Venue Services) Stampede 2019

I worked for the Calgary Stampede in Venue Services in a team of 6. I was recognized with an award for my outstanding work and dedication. Working in a team demonstrated my excellent **teamwork, communication, and leadership**.

### Calgary Home and Garden Show (Exhibitor) 2019 and 2020

I represented Calgary Exterior Connections by managing their booth as an exhibitor. I **interacted** with potential clients to describe a new product. This required **confidence** and **superior communication** skills and abundant knowledge of the product to effectively market it.

### Hockey Referee, Central Zone Referee's Committee 2017–2020

I worked as a hockey referee under the Central Zone Referee's Committee. While working as a referee I gained many skills such as **time management, communication** skills and **resiliency**. The ever-changing rules require me to be **constantly learning**. Refing requires **quick thinking** and application of proper **procedures**.
